

# ARCHER AP-16X

Archer AP-16X Spray Lubricant is not only an excellent penetrating oil, but when a light coat of AP-16X is applied, a tough film is left that is resistant to water, temperature swings and rust. Archer AP-16X will protect exposed metal parts and is perfect for those hard-to-reach places.

## FEATURES & BENEFITS

- Penetrates and loosens rust
- Unique properties aid in the release of rusted or frozen lugs and bolts
- Provides faster, safer loosening
- Loosens corrosion
- Provides the necessary penetration and lubrication of tight fitting parts

## APPLICATIONS & USES

For use on nuts, bolts, locks, clamps, linkages, tools, etc.

## DIRECTIONS FOR USE

- Shake well before using.
- Shake occasionally during prolonged use.
- Spray on parts liberally and allow to soak.
- Repeat, if rust or corrosion is severe.
- For best results, use at room temperature.

## STATE RESTRICTION

Not for sale in the state of California
