

ARCHER SUPREME 10W-40 GASOLINE ENGINE OIL

Archer Supreme 10W-40 Heavy Duty Gasoline Engine Oil provides outstanding protection for those older engines requiring a multi-viscosity engine oil. It provides excellent flowability in colder climates and controls high-temperature volatility.

Archer Supreme 10W-40 uses a blend of Group II and Group II+ base oils that deliver excellent oxidation protection. It is also blended with a high-performing viscosity modifier technology to protect engine components during cold starts as well as high temperature operating conditions.
